REMARKS

The notice of allowable subject matter in Claims 3-7 and 10-20 is gratefully appreciated.

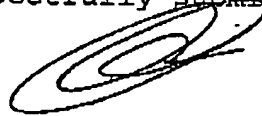

In an effort to bring prosecution of the present application to a favorable conclusion, Applicant has cancelled the rejected claims, per se, and has placed the objected to claims in self-contained form to include the subject matter of all of the claims from which they previously depended. As such, it is respectfully submitted that Claims 3-7 and 10-20 are in condition for allowance.

A notice to that effect is, accordingly, earnestly solicited.

Favorable reconsideration of this application and a Notice of Allowability of all the claims remaining in the application are respectfully requested.

Please charge any shortage in fees due in connection with the filing of this paper, including Extension of Time fees, to Deposit Account No. 01-0484 and please credit any excess fees to such deposit account.

Respectfully submitted,

---
